

Barnhouse Brewery Run

Directions: Head back down driveway & the private road. Turn right on Spinks Ferry road. Out and back from here. The road ends just over 2.5 miles out making for a nice and hilly 5.5 mile run. Water stop at intersection with Lost Corner Road – around 2 miles out. Of course can hit it on way back as well.

Optional route – turn left on Lost Corner road and head north. Once again an out and back so turn around when your legs say it is time.
