Run Sign Up has same capabilities but will have a more current/accurate email and member list. A test run of the new system will be done as well as information exported from Constant Contact.

General Discussion on Membership Drives:

Joanne explained what we've done in the past, such as a table along the WO&D trail during trail clean up. We have had a table at the Wine Country Half Expo, too.

It was suggested to place complementary water along the WO&D trail with LRR information to help market the club, perhaps use a QR code, etc. Brad mentioned setting up information at high school cross country runs.

Also noted to ask PRR if we could put a table with info. in front of one of their stores.

Wine Country Half:

Kristene to contact organizers and begin coordination for the May 14 race. Ryan and Heidi will assist as needed. There will be no LRR sponsored training run.

Suds and Soles:

Brad will schedule for the year. Discussion on various locations was had and Brad to look into those. Those included: Belly Love, Old Ox, Black Walnut, Crooked Run. Suds and Soles will be the third Thursday of each month @ 6:30 pm.

Other:

Brad to reach out to Jim Schatz Trail Run committee about helping with sponsors. Nov. 16, 2023, will be LRR's 30th anniversary. Suggested at the 2023 AGM we celebrate in a special way.
